### Thomas Andrew Dorsey

(1899 – 1993) Born in Georgia, Dorsey is credited with combining the Blues with gospel music in the early 20<sup>th</sup> century and is often called the “Father of Gospel Music”. After moving to Chicago, he became involved in performances in jazz clubs and in vaudeville and began playing The Blues shortly after. He would accompany the notorious Blues performer, Ma Rainey, on tour. Following his spiritual awakening, he channeled his music talent into gospel music. He penned 3,000 songs, a third of them gospel, including “Take My Hand, Precious Lord”; and “Peace in the Valley”. He would not only write compositions, but he became a mentor for many emerging performers, including a young Mahala Jackson. Dorsey was the music director at Chicago’s Pilgrim Baptist Church for five decades.

# NEW COMMUNICATIONS REQUEST FORM

## A Message from Calvary's Director of Communications, Karen Ferguson

in the interest of streamlining the communications process at Calvary, a new Communications Request Form has been implemented. This form can be found on the Calvary website under the Contact section. You can reach this form directly by visiting the following link:

<https://calvarypqh.com/contact/comm-request.php>

Moving forward this form must be used by everyone for every communications request at Calvary. This includes Pastor Shane and also church members that are not part of the Church Council. Communication requests include everything that is announced or publicized at Calvary on either print or digital media. This includes, but is not limited to, bulletin announcements, Facebook posts, upcoming events, meetings, church calendar requests, mass emails, etc...

Communications is such a huge umbrella at Calvary and a large amount of time is required to address the multiple requests and needs of our congregation while maintaining the brand that has taken years to cultivate. This form will streamline our communications process. It also puts all of the timelines and requirements in one place so that expectations are managed and understood by myself as well as the person or group making the request. I have details the timelines below.

Please review the form and let me know if you have any questions. Thank you so much for your patience as we work together to improve our communications process at Calvary.

## Communications Request Guidelines

**Weekly Bulletin:** Announcements or events for the bulletin must be submitted by noon on Wednesday for inclusion in the following Sunday's bulletin. For announcements that you wish to have run more than once, please include the dates you'd like to have it run. You are responsible for your content.

**Church Calendar:** Fill out the request form indicating it is a Church Calendar request listing all of the details of the request. Church office staff will respond to your request within 48 hours.

**Facebook:** Facebook posts can be submitted at any time. Posts or edits will be made as soon as possible, but there may be up to 24-48 hours between submission and execution, so please provide info as early as possible. You are responsible for your content.

**Website:** Changes, additions, edits, announcements, etc... for the website can be submitted at any time. Website changes will be made as soon as possible, but there may be up to 7 days between submission and execution, so please provide info as early as possible. You are responsible for your content.

**Mass Email:** If you are sending an email to your committee, please have your committee chair send out the email. If you have an email that you want to go to the Calvary Email distribution list, please submit a Communications Request Form.
